This recall has been initiated due to potential plastic foreign material in the product which could present a choking hazard if consumed.

We shipped this product between January 16, 2025 and October 23, 2025. We will provide you exact shipping dates and quantities received on a separate letter.

Immediately examine your inventory and remove product from shelves if applicable. Quarantine product subject to recall and destroy recalled product when possible. Please maintain accurate records of the quantity of product destroyed and report on the enclosed Recall Response Form.

In addition, if you have distributed this product to additional customers, please notify them at once of the recall. Your notification to your customers may be enhanced by including a copy of this recall notification letter. This recall should be carried out to the consumer level.

Your assistance is appreciated to prevent consumers from unknowingly consuming product with potential plastic contamination.

Please complete and return the enclosed response form as soon as possible.

If you have any questions, please call 1-800-328-8184 and select #2

This recall is being made with the knowledge of the Food and Drug Administration.
